Subject: Presidential Debates - Commitment by One America News Network, "OAN",
follow up to OAN's March 23, 2015 proposal.

Dear Sean,

One America News Network remains highly interested in hosting a Presidential debate. I applaud the RNC's efforts to get emerging media outlets involved in the process.

One America News Network is pleased to extend the following offer:

1. One America News Network will pay for and oversee a Presidential debate. The Houston, Texas venue scheduled for late February is preferred.
2. The feed will be made available **FREE OF CHARGE** to all media outlets via satellite transport. This includes, but is not limited to, emerging news outlets such as Bloomberg, Newmax, and The Blaze and established outlets such as CNN, Fox News Channel, and MSNBC.
3. One America News Network will run the debate 100% commercial free, maximizing each candidate's speaking time.
4. One America News Network will ensure meaningful questions are asked providing candidates the opportunity to appeal to the American people. Questions designed to attack candidates or encourage in-fighting will be prohibited. This will be achieved by setting up an independent committee for question preparation.

5. Note that One America News Network is the only news channel that has sponsored **CPAC** at the highest level in 2014, 2015, and committed for 2016. One America News Network is the only news channel that sponsored **Faith & Freedom – Road to Majority** at the highest level in 2014 and 2015. Our sponsorships ensure we have access to provide coverage. One America News Network is dedicated to providing a fair platform for all voices to be heard.

I look forward to discussing this with you. Simply let me know a time you are available to visit at your offices or ours in Washington, D.C.

Kind regards,

Charles
